

Technical drawing of a mechanical part with the following dimensions and features:

- Overall width: 260
- Overall height: 230
- Top horizontal segment width: 110
- Top horizontal segment height: 75
- Vertical segment height (between holes): 160
- Bottom horizontal segment width: 10
- Bottom horizontal segment height: 35
- Right vertical segment height: 82
- Right vertical segment thickness: 1
- Top right corner radius: R16
- Bottom right corner radius: R2
- Two circular holes are located on the vertical segment, spaced 160 apart.

Technical drawing of a mechanical part with the following dimensions and features:

- Overall width: 260
- Overall height: 230
- Top horizontal segment width: 110
- Distance from top edge to center of top hole: 75
- Distance between centers of two holes: 160
- Radius of top corners: R16
- Thickness of the part: 1
- Distance from bottom edge to center of bottom hole: 35
- Distance from right edge to center of bottom hole: 10
